Reclaim Foundation to Host Second Annual “Shatter the Glass” Anniversary Event

San Francisco, CA – Reclaim Foundation’s annual anniversary event “Shatter the Glass” will take place on Thursday, August 11, 2022 from 5-9pm at Del Mar SF, 2125 Lombard Street in San Francisco. Reclaim Foundation Founder and KRON4 Remarkable Woman of the Year Megan Bull will be on-hand, and will be joined by her Board of Directors as well as Reclaim Foundation donors and supporters and a few of her fellow trauma survivors, who will offer a few words during the evening’s short program.

“The event name, “Shatter the Glass” is meant as an encouragement to trauma survivors -to not allow their past experiences to stop them from doing the things they love and enjoy,” explained Bull, who founded Reclaim Foundation after surviving both a mass shooting and a traumatic hit-and-run car accident.

“We value our ability to provide resources virtually to individuals affected by trauma, but there is something special about an in-person event and the ability to connect face-to-face,” Bull said. “With the recent shootings and the current negative news cycles, it is more important than ever for Reclaim Foundation to reach those who are hurting.”

In addition to the plentiful drinks, fun games, and live music there will be a silent auction and an interactive activity called “How do you shatter the glass?” where people will share their answers in a form which can be completed in-person or virtually. Silent auction items include, but are not limited to Alex Wood signed baseball from SF Giants; a signed Death Cab for Cutie vinyl from Brilliant Corners Music Management; and an Apple Basket (watch, gift card, accessories) from Fairway Independent Mortgage, The Uptown Group, and more.
